Center for Autism and Related Disorders Announces East Coast Office Move

Springfield, VA – June 28, 2010 The Center for Autism and Related Disorders, Inc. (CARD), one of the world's largest organizations effectively treating children with autism, announces the move of its East Coast office. CARD Virginia's new office is located at 6315 Backlick Road, Suite 302 in Springfield, Virginia.

"This new office is now centrally located and will help reduce the commute for families who find it difficult to reach our other clients located in the surrounding Springfield area," says CARD Virginia Managing Supervisor Mary Ann Cassell, MA, BCBA. "This new location will help us continue our mission to provide the most effective autism services to all of our children."

CARD Virginia provides individualized treatment programs for ages 0 - 21 years old, direct one to one therapy, assessment and diagnosis, parent training, specialized outpatient services, and district training and consultation.

The Center for Autism and Related Disorders, Inc. (CARD) maintains a reputation as one of the world's largest and most experienced organizations effectively treating children with autism, Asperger's Syndrome, PDD - NOS, and related disorders. Following the principles of Applied Behavior Analysis (ABA), CARD develops individualized treatment plans for each child.

With a mission to increase access to the most effective treatments, CARD has developed strong working relationships with parent organizations, schools and government agencies all over the world, including the Middle East, Europe, and South Africa.

CARD was founded in 1990 by Executive Director Doreen Granpeesheh, PhD, BCBA-D.
