Dr Vincent J Carbone, Director of Carbone Clinic

Dr. Carbone is a Board Certified Behavior Analyst with over 30 years of experience. He has served on the Florida Peer Review Committee, as an adjunct faculty member at Penn State University & Florida Institute of Technology, and is currently visiting professor in the Behavioral Education doctoral program at Simmons College in Boston, MA. His behavior analytic research has been published in several peer-reviewed journals. Dr. Carbone currently serves on the editorial review boards of the Journal of Early Intensive Behavioral Intervention and Speech Language Pathology and Applied Behavior Analysis. He is the developer and presenter of a series of workshops on teaching verbal behavior to children with autism based upon B.F. Skinner’s analysis of verbal behavior. He and his clinic staff are currently working with school districts, agencies, and families throughout the United States and Europe.

Dave Force: General Manager, SOAR Foundation

Mr. Force is currently the director of Morgan's Wonderland, which is the world's largest special needs park in San Antonio, Texas. Grand opening for the park is in April. Previously Mr. Force was V.P. of Zoological Operations for SeaWorld San Antonio for 34 years. He provided oversight of Animal Training, Animal Care, Aquarium, Aviculture, Education, Lab and Vets at SeaWorld San Antonio.
