CARD Launches New Online Continuing Education Program

CARD CE ...Rapid, Affordable, Cutting Edge

Tarzana, CA - The Center for Autism and Related Disorders, Inc. (CARD) is proud to be an approved continuing education (ACE) provider of Type 2 continuing education hours for BCBA and BCABA certificate holders.

CARD now offers a variety of quality Board Certified Behavior Analysis (BCBA) and Board Certified Associate Behavior Analysis (BCaBA) continuing education units (CEUs) through online programs for students and professionals in the field of behavior analysis.

The CARD CE online programs are designed to provide you with the opportunity for professional growth and refinement. CARD CE offers behavioral health practitioners the ability to earn Continuing Education hours from the comfort, privacy and convenience of home or office through our web-based program, which includes live web-based PowerPoint presentations and teleconferencing.

"Our BCBA's have over 150 years of combined experience in Applied Behavior Analysis (ABA), working in a wide variety of settings and across a wide variety of populations, says CARD Founder and Executive Director Doreen Granpeesheh, PhD, BCBA. "The world class talent that our clinicians possess makes a solid foundation for top quality CEU training."

For more information about CARD CE visit, www.centerforautism.com/cardce.

CARD CE
ONLINE COURSES FOR BCBA'S & BCABA'S
...Rapid, Affordable, Cutting Edge

Center for Autism and Related Disorders, Inc. (CARD) is among the world's largest and most experienced organizations effectively treating children with autism and related disorders. Following the principles of Applied Behavior Analysis (ABA), a treatment for autism that has been thoroughly researched and empirically validated by the scientific community, CARD develops individualized treatment plans. CARD was established in 1990 and has several offices throughout the world.
